**WHEREAS**, pursuant to Article 28, Article II of the 1987 Constitution, the State adopts and implements a policy of full public disclosure of all its transactions involving public interest, subject to reasonable conditions prescribed by law;

**WHEREAS**, Section 7, Article III of the Constitution guarantees the right of the people to information on matters of public concern;

**WHEREAS**, the Executive Branch recognizes the urgent need to operationalize these Constitutional provisions;

**WHEREAS**, the President, under Section 17, Article VII of the Constitution, has control over all executive departments, bureaus and offices, and the duty to ensure that the laws be faithfully executed;

**WHEREAS**, the Data Privacy Act of 2012 (R.A. 10173), including its implementing Rules and Regulations, strengthens the fundamental human right of privacy, and of communication while ensuring the free flow of information to promote innovation and growth;

**NOW, THEREFORE, I, RODRIGO ROA DUTERTE**, President of the Philippines, by virtue of the powers vested in me by the Constitution and existing laws, do hereby order:

**SECTION 1. Definition.** For the purpose of this Executive Order, the following terms shall mean:

(c) “Public record/records” shall include information required by laws, executive orders, rules, or regulations to be entered, kept and made publicly available by a government office.

**SECTION 6. Application and Interpretation.** There shall be a legal presumption in favor of access to information, public records and official records. No request for information shall be denied unless it clearly falls under any of the exceptions listed in the inventory or updated inventory of exceptions circularized by the Office of the President provided in the preceding section.

The determination of the applicability of any of the exceptions to the request shall be the responsibility of the Head of the Office, which is in custody or control of the information, public record or official record, or the responsible central or field officer duly designated by him in writing.

In making such determination, the Head of the Office or his designated officer shall exercise reasonable diligence to ensure that no exception shall be used or availed of to deny any request for information or access to public records, or official records if the denial is intended primarily and purposely to cover up a crime, wrongdoing, graft or corruption.

**SECTION 7. Protection of Privacy.** While providing access to information, public records, and official records, responsible officials shall afford full protection to the right to privacy of the individual as follows:

(a) Each government office per Section 2 hereof shall ensure that personal information in its custody or under its control is disclosed or released only if it is material or relevant to the subject matter of the request and its disclosure is permissible under this order or existing law, rules or regulations;

(c) Any employee, official or director of a government office per Section 2 hereof who has access, authorized or unauthorized, to personal information in the custody of the office, must not disclose that information except when authorized under this order or *pursuant to* existing laws, rules or regulation.

(b) The appeal be decided by the person or office next higher in authority within thirty (30) working days from the filing of said written appeal. Failure of such person or office to decide within the afore-stated period shall be deemed a denial of the appeal.

(c) Upon exhaustion of administrative appeal remedies, the requesting part may file the appropriate case in the proper courts in accordance with the Rules of Court.

**SECTION 14. Keeping of Records.** Subject to existing laws, rules, and regulations, government offices shall create and/or maintain accurate and reasonably complete records of important information in appropriate formats, and implement a records management system that facilitates easy identification, retrieval and communication of information to the public.

2. Each FOI request is different, so not all of these actions will be required in each case – some will be much simpler – and sometimes actions will be completed earlier or later than the targets in this table. **However, it is always important to allow sufficient time for Decision Makers, etc to clear FOI responses before expiry of the 15 working day deadline.**
3. For any request, it is essential to start looking at it as soon as it is received, to assess what work needs to be done and to plan that work so that the request is answered on time. This table is intended to help with that planning
